

PFF Walk Frequently Asked Questions

What is the PFF Walk? The PFF Walk unites all impacted by pulmonary fibrosis and idiopathic pulmonary fibrosis and provides a special opportunity to raise funds, build awareness, and make a meaningful impact on those affected by the disease. Each PFF Walk offers an inspiring Mission Moment to kick off the event, two walk distances, and family-friendly activities.

Where do the funds go? Funds raised by the PFF Walk support our efforts to accelerate research, to advance improved care for those living with the disease, and to provide unequalled support and education resources for the PF community.
