

PLEASE JOIN

Interstitial Lung Disease Support Group

This group allows for encouraging and supportive communication among our Interstitial Lung Disease (ILD) and Pulmonary Fibrosis patients. We are committed to education, research, and outstanding care of patients with interstitial lung disease. Every month, we hold an Interstitial Lung Disease/Pulmonary Fibrosis Support Group Meeting with experts to educate patients, family members, and caregivers on new treatments, research, and ways to live a healthier life.

Every 3rd Friday monthly

May 21st, 2021 – Sleep and Lung Disease
June 18th, 2021 – Updates from American Thoracic Society
July 16th, 2021 - Clinical Trial
August 20th, 2021 – Gastroesophageal reflux disease (GERD)
September 17th, 2021 – Medication costs
October 15th, 2021 – Travel Tips
November 19th, 2021 – Oxygen Users Practical Tips
December 17th, 2021 – Lung Transplant

Time: 1:00 pm – 2:00 pm

Due to COVID -19, all meetings are currently offered through zoom

Meeting ID: 999 2187 5327

Passcode: 419055

PLEASE NOTE: This group is **NOT** for giving or receiving **medical advice**. All medical questions should be communicated directly with your physicians during a schedule appointment.
